Our Study Programmes

Our bachelor programmes are the beating heart of Artevelde University College. But this is not all we offer.

Postgraduates and Trainings

In these domains:

- Business
- Education
- Communication and Media
- Health Care
- Social Work

Higher Professional Education (HBO5)

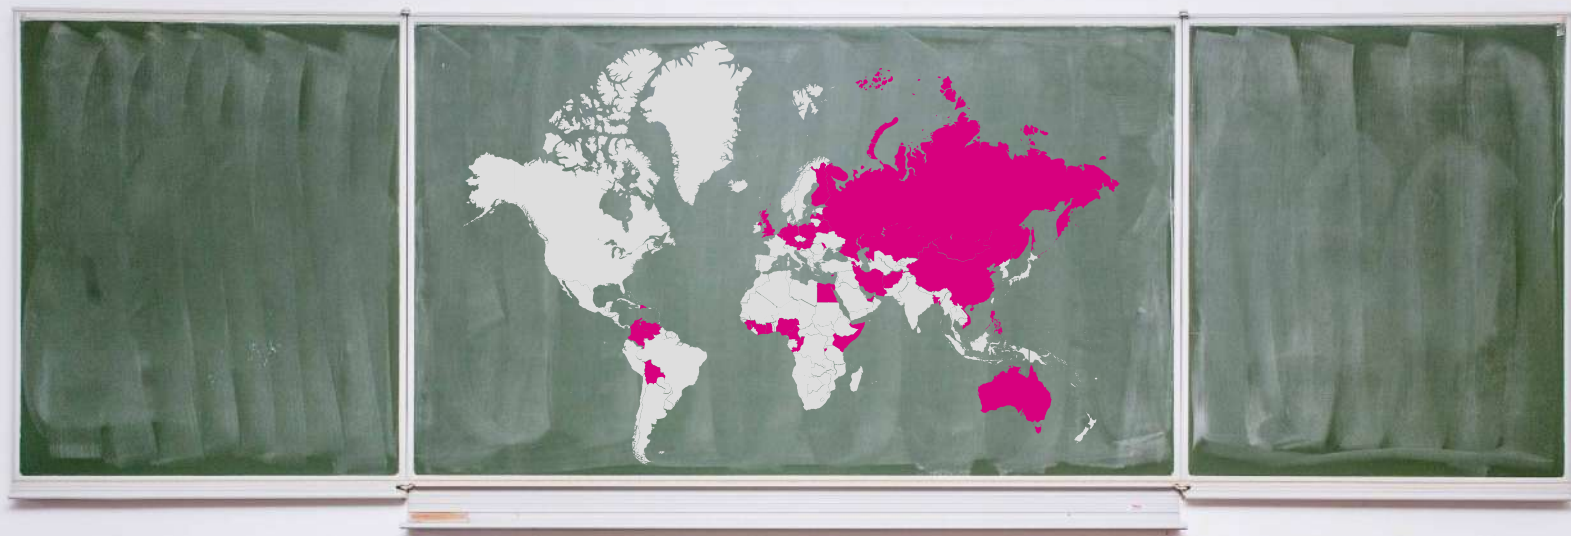

This is the level of education between secondary education and a bachelor programme at a university college.

For HBO5 Artevelde University College cooperates with four partners in the Artevelde Learning Network.

International Business Management & International Office Management

English-taught bachelor programmes with students from all corners of the globe!

Flexible Study

Society changes, so do the possibilities to study at Artevelde University College.

SWITCH

Tracks aimed at students who combine studying with a job.

Starting in February

Two options:

- 6-semester track (= 3 years)
- 7-semester track (= 3.5 years)

Distance Learning

Receiving study support without daily presence at the campus is possible for the programmes:

- Bachelor of Secondary Education
- Bachelor of Office Management (specialisation Management Assistant and Medical Management Assistant)

Our Educational Concept
