Libertas, Croatia and the World

A central European country with a long coastline on the Mediterranean sea, is one of the most beautiful countries in the world and a member of the European Union

An aerial photograph of Dubrovnik, Croatia, taken from a high vantage point on a rocky hillside. The city's historic walls and red-tiled roofs are visible, nestled between the sea and the mountains. The sky is filled with soft, colorful clouds from the setting sun, which is visible on the horizon. The water is a deep blue, and the overall scene is peaceful and scenic.
