Need help to build up your career?

We provide a unique training program so that you can acquire complementary skills fostering an easy entry into the labour market. The service is offered free of charge for the students of METU.

- **Our talent management programme** gives you the chance to deepen your knowledge in a specific area. We have established professional workshops focusing on media studies, economics, marketing, tourism and social sciences.
- **Information exchange events** including the Day of Companies, offer students the opportunity to meet in person representatives of companies.
- **The Grafton Career Club** provides an opportunity to meet the consultants of Grafton Recruitment Ltd.
- **Research and feedback:** each year we assess what companies think of those students of ours undertaking an internship, and we also ask the interns to evaluate their experiences.
- **Lifestyle counselling** helps students who wish to discuss their personal problems with an expert.

Welcome weekend

- Takes place at the beginning of each semester
- To facilitate integration and get to know fellow students
- Free of charge for newcomers
