Other Information(with website)

BI Norwegian Business School has 170 partner agreements with universities and university colleges in 44 countries. In 2010, almost 470 students from our exchange partners found their way to BI, and more than 680 students left BI to spend one or two semesters abroad.

International Students at BI:

- Interact and learn from an international group of fellow students with diverse cultural backgrounds
- get insight into how business is conducted in Norway
- Work and study in a state-of-the-art and exciting learning facility of innovative Scandinavian design
- enjoy the beautiful scenery of Oslo and Norway

Norwegian Language course

The International relations office (Iro) offers a basic Norwegian language course to international students. The course runs in the evening to avoid time conflict with other courses. Registration is available online. The course is not a part of BI's curriculum and does not give any credits.

Price: approximately noK 1800

Language

It is relatively easy for a foreigner to feel at home in Norway. English is widely spoken and coping

with day-to-day life in Norway does not require proficiency in Norwegian. For more information on Oslo and Norway, check out the following pages:
